### BUSINESS MAN FOR A BUSINESS JOB

William Beeson, republican  
candidate for County Treasurer,  
came to Coconino county a very  
young man 23 years ago and he  
has been in the county ever  
since. During the early years  
of his residence in Coconino  
county he was engaged in work  
of different kinds in the west  
part of the county but he was  
always at work. He worked for  
the Camerons at Grand Canyon  
in promoting the tourist business  
and worked for the road depart-  
ment of the state in cleaning  
and improving the streets of  
Williams. His industry was  
proverbial.

Mr. Beeson finally settled in  
Flagstaff and has been in business  
in the county seat continuously  
since and has gained a reputa-  
tion as a careful business man  
of sound judgement. He was  
elected to the Town Council of  
Flagstaff and served for one  
term and in the council he per-  
formed the duties of public office  
with intelligence and ability.

Should Mr. Beeson be elected  
to the office of County Treasurer,  
his successful business expe-  
rience would enable him to grasp  
the problems which the office  
presents to an incumbent and  
solve them to the best interest  
of the tax payers of Coconino  
county. There can be no doubt  
that the office would be as capa-  
bly filled as at any time in the  
past.

Mr. Beeson has taken upon  
himself the full obligations of  
citizenship and is husband and  
father. He is very much esteem-  
ed by his towns-people and is  
highly respected by all who  
know him. As County Treasur-  
er he would be found friendly  
and accommodating and it is  
safe to predict that he would give  
general satisfaction as a public  
official.

### Letters of Introduction

When you go to a strange place would it be  
of any use to you to have a letter of introduction  
from this bank to some good bank in the place  
you are going to? It would.

And we will be glad to extend this courtesy.  
The other bank will appreciate it too. Without  
seeming to boast we wish to venture the assertion  
that it will help you a great deal to carry a good  
letter of introduction from your banker. The  
chances are that your banker is as well acquainted  
with you as any of your friends and his acquaint-  
anceship with the banking fraternity might help  
you. We will be glad to serve you in this way.
